

TEMPLE BETH AMI SISTERHOOD

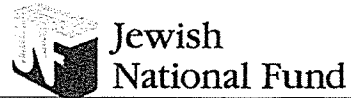

TREES & WATER PROJECTS IN ISRAEL

We are excited to announce that your Temple Beth Ami Sisterhood has begun giving gifts from The Jewish National Fund (trees and water projects in Israel)! So instead of presenting Tzedakah boxes to High School graduates in the congregation, and Mezzuzot to Temple Beth Ami newlyweds, or stuffed toys to member newborns, we have decided to give gifts that are lasting and meaningful to Israel.

Because we believe this program is so important, we are opening it up to you and your families. Now, when you want to give a gift you can do so economically and easily through Sisterhood or fill out the form below, and send it to TBA Sisterhood @ the Temple address (23023 Hilse Lane, Santa Clarita, CA 91321). The cost for one tree or one water

project is just \$18. That's it, that's all there is to it! A certificate indicating your gift will be sent directly from The Jewish National Fund to your gift recipient.
